
Sophomores and Juniors: The Professional Seminar (2010-11)

High school is the time to begin thinking about career interests. Your interests will affect the college and the major you choose. It is also the time to develop the habits of effective speaking and critical thinking that are essential for success in college and the workplace. A talk on character development follows each presentation. Schedule

2:00 - 2:55 Presentation by professional
2:55 - 3:00 Break
3:00 - 3:35 Skills Development Games
3:40 - 4:00 Virtue Talk
